

GLOBAL JUNIOR CHALLENGE: CALL FOR PROJECT DEADLINE: JULY 31ST 2017

The GJC is an international contest organised by Fondazione Mondo Digitale which rewards projects that make innovative use of information and communication technologies in the social inclusion area, education for life, training and intercultural cooperation.

The Global Junior Challenge takes place within the context of Italian Digital Agenda and Europe 2020. More precisely, the aim of the Global Junior Challenge is to encourage young generations and their teachers to use new technologies, exchange experiences and emulate successful initiatives. This is a massive chance to reflect and share experiences on the challenges posed by the 21st century education and the role of new technologies in the innovation of the teaching approach and in the process of social inclusion, development and poverty reduction. The GJC competition is open to all kind of associations, public and private institutions, cooperatives, schools, universities, companies and individuals of any age from all around the world: admissible projects must be active or finished, and address young men and women up to age 29, who use ICT for educational objectives.
