

FMD Fondazione Mondo Digitale : How to Connect Things

Educational Programme [IoT at the Phyrtual Innovation Gym](#), promoted by the Fondazione Mondo Digitale and Cisco, a leading company in this sector in Italy, continues to stimulate the creativity and innovation of thousands of students and prepare them to successfully face the new challenges of the digital economy.

Today, the Phyrtual Innovation Gym will welcome students from IIS [Luigi Calamatta](#) in Civitavecchia to a lab on the Internet of Things with Coach Emanuele Tarducci.
