Dear Director,

I am interested in the position of English as a second language and Cambridge Geography teacher. I have experience teaching the IGCSE program as stated in my resume.

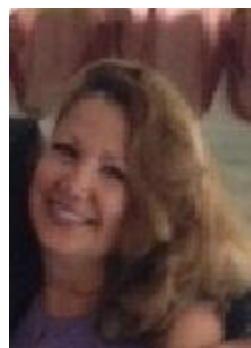

I am excited to apply for this position and possibly be a part of Liceo Farnesina.

It is my goal to combine my range of experience with my ability to be a compassionate, enthusiastic teacher who will make a positive contribution to the school district. I would welcome an interview and look forward to hearing from you.

Respectfully,

Dora Lippa
