RESULTS

one thing I am taking with me from the course

LEGO SERIOUS

LESSONS LEARNT INSIDE THE DISABUSE PROJECT FROM THE DUBLIN UNIVERSITY ANTI-BULLYING CENTRE

For Fiona Weldon, a senior member of the ABC, DCU team, disablist bullying has been a life's work, with the DisAbuse project merely a step in that work.

27th
September
2019
Rome, via del Quadraro 102
9am-5pm

Conference
The final conference will present the DisAbuse outcomes and open the dialogue on the experiences of both young people and adults with Special Educational Needs with DisAbilities (SEND). The project supports and educates, teachers, trainers and students in promoting equality, diversity, and delivering training with supportive online interactive educational materials.
